Randolph County Chamber of Commerce

Business & Industry Appreciation Luncheon

Our Annual Chamber Salute was a huge SUCCESS!

A crowd of over 200 included guests from our city and county government as well as Arkansas Economic Development. The rainy weather held off long enough for an afternoon of golf for 28 teams! Our thanks to Chamber Vice President Mike Miller for his tireless efforts in ensuring another outstanding event.

NEA Intermodal Facilities Authority

The firm of Crafton Tull Sparks has been selected as the engineering consulting agency. There are a few items to be worked out before a contract is finalized, probably late August.

Farmers' Market

The vendors are ready for your business each Tuesday afternoon starting at 2 pm...and Saturday mornings 7 am till ?. Stop by, you'll get some great buys on delicious produce and more. Remember the market is at the Pocahontas Municipal Airport, just off Highway 67.

Business After Hours

The next business after hours is set for August 17th, 5:30 to 7. It will be hosted by Legacy Hospice. The tentative site will be the Randolph County Heritage Museum Annex on the Historic Court Square... Mark your Calendars!

Open House

Be sure to attend an Open House for the new addition to Pocahontas Family Medical Center on Betty Drive in East Pocahontas. We'll see you there Monday, July 20, 5 to 7 pm.

Comments

In the spirit of business and industry appreciation, the chamber would like to say thank you to those who provide jobs in Pocahontas and Randolph County. It is through your community involvement that we are able to partner business people, educators and students with a vision of building a better future. THANK YOU!

Tim Scott
Executive Director

Deonne Donner
Executive Assistant

Dates to remember...
