March 2009

Weathering the Storm

Your Chamber of Commerce opened its doors during the ice storm of late January and early February

Entergy made the Chamber Boardroom its headquarters for a Customer Information Center where any Entergy customer could visit the office to see updated maps and talk to Entergy officials about the restoration process!

NEA Intermodal Facilities Authority

Another meeting was held February 26th at BRTC. In addition to Authority members, Flave Carpenter and David Burnette from Entergy sat in on the meeting mainly to let the authority know they are ready to help when the time is right. The next meeting is March 26th, 10:30 at BRTC!

Your 2009 Chamber Board of Directors

| Jade Wells |

Business After Hours

We had a very successful B-A-H, Monday, March 16th at the Eddie Mae Herron Center. Board Chairman Pat Johnson, Chamber Ambassadors and other volunteers are to be commended for their efforts. The next Business After Hours is May 18th at Pocahontas Medical Clinic next to the Hospital!

Founders Day Festival

Mark your calendars now to attend the Founders Day Festival May 1st and 2nd in Downtown Pocahontas...Lots of activities, food and fun – see you there!

Comments

Remember, your Chamber of Commerce is constantly working to make new contacts, increase awareness and build membership. Please call us if you have any suggestions or comments!

Tim Scott

Executive Director
